Dear Isabel

Thank you for your invitation for me to present at your conference in November.

I am pleased to accept and will prepare a presentation on our experiences of the development of Chronic condition self-management strategies in Australia.

I look forward to seeing you and your team again and to working with Kate Lorig in your country.

My Qantas Club details for booking are: Number 3687855 ... expires March 2017. If it is cheaper for us to book through Australia, we can do this.

Regards
