RE: Your visit to our Research Unit in Adelaide, Australia.

Dear Dr Peñarrieta and Dr Leon (Isabel and Rodrigo)

Thank you for your December 2016 visit to our unit in South Australia to further progress our discussions and research using Flinders Program of Chronic Condition Management Care Planning. We look forward to continuing our discussions and our shared research interests and to visiting your country to further support implementation of the Flinders Program within health centres.

Yours Sincerely

Professor Sharon Lawn
